

Cycling in Fauldhouse & West Calder

Cycling in Fauldhouse & West Calder

This map has been designed to help you get around Fauldhouse & West Calder by bike.

By using quiet streets and, where available, cycle paths you can avoid busy traffic. In many ways, Fauldhouse and West Calder are ideal for cycling: they are fairly flat, compact and most places can be reached by bike in less than 10 minutes.

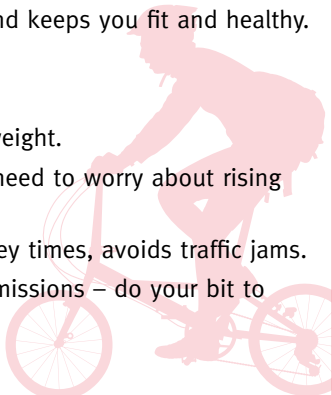

Other town cycle maps and leaflets are available from Visitor Information Centres and libraries. For more information on cycling in West Lothian visit www.westlothian.gov.uk/1523/1504/385/ or contact 01506 280000.

Why cycle?

Because it is the obvious choice for shorter trips.

Cycling

- Makes you feel good, and keeps you fit and healthy.
- Gives you more energy.
- Reduces stress.
- Helps to manage your weight.
- Saves you money – no need to worry about rising fuel costs.
- Allows for reliable journey times, avoids traffic jams.
- Produces zero carbon emissions – do your bit to fight climate change.
- Is fun.

Good Cycling Code

Obey the rules of the road

- Always follow the Highway Code. Available at www.direct.gov.uk/en/TravelandTransport/Highwaycode/index.htm

Be courteous

- Remember that some people are hard of hearing or visually impaired. Don't assume everyone can see or hear you.
- Give way to pedestrians, wheelchair users and horse riders.
- Ring your bell or politely call out to alert other road users of your approach; acknowledge people who give way to you.

Care for the environment

- Try to reach the start of your journey by bike or public transport.
- Follow the Scottish Outdoor Access Code; in particular, respect crops, livestock and wildlife and take litter home.

Look after yourself

- Be alert to potential hazards and take extra care.
- Carry enough food and water, and a map.
- Keep your bike roadworthy; use lights in poor visibility (it's the law).
- Don't use any hand-held device like a mobile phone whilst cycling.
- Consider wearing a helmet and bright clothing.
- Always lock your bike to an immovable object with a good-quality bike lock to prevent theft.

Thank you for cycling! The bike is the most efficient and environmentally friendly form of transport.
